Dear Parent/Carer,

Happy New Year! I hope that you all managed to have an enjoyable Christmas holiday and that the students are refreshed for the challenges ahead! 'New year, new start, new me' is often the mantra for this time of year, and many of us make resolutions to improve ourselves that fall flat, leaving us frustrated and disappointed. The key to success is to make manageable and achievable changes which will help us to feel better. With that in mind, we are focusing on two areas that will help students be more prepared to learn more effectively, namely punctuality and uniform. If students can get themselves organised by being on time and in the correct uniform, it shows that they are serious about being smart in mind and smart in attire! It would be great if you can support us in school by reminding your child about the vital importance of being sharp and looking sharp! Together, we can crack these issues and get your child ready for success!

Yours sincerely,

Alan Campbell

Head teacher
