Dear Parent/Carer,

The sun is shining as I write and that is having a major contribution to the positive energy which can be felt around the school. Attendance continues to improve and this is a major drive this term as we aim to exceed 90% in every class. I urge parents to keep up the good work and encourage your child to show resilience and keep attending even when the going gets tough. We will continue to offer incentives and rewards to individuals and classes with the best attendance.

The national lockdown is easing and restrictions are being lifted in all areas of life, and society is re-discovering a sense of normality. At school, we are still operating pod bubbles but will be looking to open up areas of school life which have been neglected for so long. May 17th is the next milestone and we will be able to offer more Out of School learning opportunities such as educational trips and we will access more facilities such as the swimming pool and indoor gyms. I want to reassure you that strict risk assessments will be in place for all activities. We will also be having more face to face meetings, still observing social distancing and mask wearing, and I would like to extend an invitation to all parents to an Open Forum discussion on how we can engage more effectively with you on **Tuesday 18th May at 2pm**. All are welcome, but please contact the school office to register your interest so we can ensure the safety of all staff and visitors. We will check your temperature on entry.

Many of our students are gearing up to sit exams and we wish them every success. Detailed exam schedules will be published shortly and I ask all parents to ensure that your child is revising and completing all homework so that they are prepared.

Yours faithfully,

Alan Campbell
Headteacher

Dates for your diary:

28th May:	Last day of half term
Half term:	Monday 31st May – Friday 4th June
Children return to school:	Monday 7th June
Staff Inset:	Monday 12th July

School News and Updates:

Please could all parents/carers follow government guidelines regarding Covid-19. If you, your child, or anyone in your household exhibit symptoms of coronavirus or have tested positive for coronavirus, please inform the school as soon as possible and ensure your household isolates for 10 days.
