Dear Parent/Carer,

It has been a busy week here at Cambridge as we have been conducting Learning and Teaching explorations to ensure that the quality of education is consistently high. I have been dropping into different classes to experience the classroom environment and talk to students about their learning. I am going to showcase Purple Pod this week as they have been working really hard and the progress they are making is really pleasing. Shakespeare class have come on leaps and bounds and the climate for learning is excellent. They were working on magnets in Science and really enjoyed the experiments and showed excellent teamwork and collaboration in their groups, supporting each other and really engaging in the topic. Columbus class have a wonderful maturity about them and they show determination and focus to succeed, all working hard to achieve their targets in Maths and Life Skills. The boys in Mandela have made huge strides forward in their independence and have been accessing the local community in Life Skills with new found confidence.

I am delighted to inform you that we have appointed Diego Gonzalez Moreno as the permanent class teacher for Turing class. Diego has been here on supply, but we did not want to lose him as he has brought stability and structure for the boys in Turing and they feel safe and secure with him. Welcome to Cambridge, Diego!

We are persevering with masks for the next two weeks in school to be on the safe side, especially as there have been reported cases of Covid variants in W11, where many of our students and staff live. The pods will remain as distinct bubbles until half term. We anticipate that things will move back to a semblance of normality in June and July, but for the moment we believe that our cautious approach is working and as the saying goes, if it ain't broke, don't fix it!

Yours sincerely,

Alan Campbell
Headteacher

Dates for your diary:

28th May:	Last day of half term
Half term:	Monday 31st May – Friday 4th June
Children return to school:	Monday 7th June
Staff Inset:	Monday 12th July

School News and Updates:

Please could all parents/carers follow government guidelines regarding Covid-19. If you, your child, or anyone in your household exhibit symptoms of coronavirus or have tested positive for coronavirus, please inform the school as soon as possible and ensure your household isolates for 10 days.
