

Dear Parent/Carer,

Last week we welcomed the parents and carers of all of our Year 7 "newbies" into school and yesterday it was the turn of the parents and carers of Year 11 students to visit. The event was the College Open Evening where our Class of 2022 leavers had the opportunity to discover what is on offer at the local colleges. A range of colleges attended to try and attract our learners with their exciting courses and facilities including West London College, City of Westminster College, Kennet West and William Morris Sixth Form.

Our students were a credit to the school doing thorough research, asking challenging questions and making educated choices and decisions regarding which course was best for them at their favoured colleges. Feedback from parents and carers was excellent and the colleges were fighting over the students because of their positivity, politeness and focused determination. I felt immensely proud of Year 11 who behaved impeccably and generated a buzz in the Hall which makes me hopeful that they will go on to achieve their dreams and ambitions.

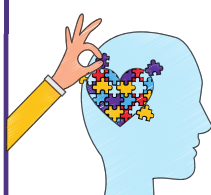

I look forward to meeting more parents and carers next week on Friday 8th October at 11am for the next Friends of Cambridge PTA meeting.

Yours sincerely,

Alan Campbell
Headteacher
