

Dear Parent/Carer,

Autumn has well and truly arrived and term is in full swing. Students have settled into their new classes and routines have been established. Two classes achieved 100% attendance this week so big congratulations to Rashford and Nightingale. We need to keep emphasising the importance of excellent attendance as students who attend are those who make the best progress.

We continue to be vigilant regarding the threat of Covid and we will continue to test staff and students twice a week to keep us all safe. If your child displays any symptoms such as a high temperature, a dry and repetitive cough and sudden loss of taste and smell, please keep them off school and go for a PCR test. Many of you have consented for your child to be given the Pfizer vaccine in school today and the NHS are on-site to deliver the vaccines.

Students have all been assessed and their baseline assessments put on Onwards and Upwards, our school assessment system. Teachers will now be recording their progress regularly. Please support your child by encouraging them to try their best in lessons and to complete all homework. If you have any questions about homework or your child's progress, please contact the class teacher in the first instance. Positive school and home partnership is the key to success.

Yours sincerely,

Alan Campbell
Headteacher
