

Dear Parent/Carer,

Yesterday we hosted Dr Keith Tysoe, Principal Education Adviser for Hammersmith and Fulham, who spent the day engaging in a Quality Assurance exercise and conducting Learning Walks with senior leaders. He was looking at the quality of education and student behaviour and attitudes to learning as well as the leadership and management of the school. We are awaiting his final written report but the verbal feedback was extremely positive.

Dr Tysoe was very impressed with the calm and ordered learning environment, the structured learning and the positive relationships and interactions in every classroom. He was particularly impressed with the huge steps forward we have made in the curriculum and he saw some dynamic teaching and learning in Life Skills. This is all very reassuring as we have not had any external visits to check on our progress since 2019 due to the Covid pandemic. We are pleased that we have maintained high standards, but we also know that there is still a great deal of work to do to be the best that we can be. There is always room for improvement and we are striving for excellence!

Yours sincerely,

Alan Campbell
Headteacher
