Friday 4th February 2022

Dear Parent/Carer,

We have just finished our January examinations window and a large number of students have been sitting their English, Maths and Science exams. As you can imagine, this has been a challenge in Covid times with managing student and staff absence. I want to praise the students who have shown great maturity and responsibility as they have sat their exams, learning how to cope with anxiety and manage their nerves in exam conditions. The results will be published shortly and I am sure we will have lots of successes to celebrate. For those who did not quite make their expected grade, there is plenty of time to improve and revise for the June exams.

I have focused on the ongoing Covid pandemic in so many recent newsletters and this has made the school seem like a gloomy place. Despite the difficulties Covid has presented, school life has continued with a sense of energy and purpose. We are looking forward to our Easter extravaganza performance of Easteranna Jones and the Golden Egg, scripted by our own Nathan Kelly and adapted by Cynthia Richards. Students are about to audition for a range of acting and technical roles as the Creative Arts team continue to thrive and offer opportunities to shine for our students.

We say goodbye to our School business manager, Rebecca Moore, who has worked with us for seven years. She is leaving us to take up the post of Business Manager at William Morris Sixth Form College in Hammersmith. Rebecca has been an immensely loyal and dedicated colleague and has made a huge contribution to improving Cambridge School, turning a large deficit into a healthy financial position, enabling us to make good appointments and invest in our school. We will miss her, but Cambridge is in her blood and she will continue to be involved in other ways, I am sure!

Yours sincerely,

Alan Campbell

Headteacher
