Dear Parent/Carer,

A large group of students attended a Hospitality Industry Taster Careers Fair at Hammersmith College this week. Students took the opportunity to sample different food from across the globe and meet professionals to discover how to break into the industry. All of the students behaved impeccably, but our star performer on the day was Liam Passmore from Armstrong class who came third in the sushi rolling competition and gave a confident and articulate interview on camera about the day and what he had got out of the experience. It was a “proper” performance from the young man who used humour to win over his audience.

School will feel quiet and peaceful next week as 19 of our energetic and lively Orange Pod students are heading to Conover Hall in Shropshire for a week long residential. They will push themselves to their limits and learn vital team building skills as well as how to cope away from their parents and carers. They will take part in a wide range of activities including abseiling, fencing, orienteering and archery. I can't wait to see evidence of the students rising to these exciting challenges and feel sorry for the staff who will have to compete with them! This will be a wonderful bonding experience and many great memories will be made to cherish in the future.

Yours sincerely,

Alan Campbell
Head Teacher

Dates for your Diary:

| | |
|--------------------------------------------------|-----------------------------------------|

Achievements of the week

Attendance Awards W/C 18/04/22

Well done to Angelou who achieved 96.37% attendance last week.

In second place is Franklin with 90.91%. Close behind in third place is Seacole with 88.89%.

Congratulations to all three classes and good luck for next week! May the best class win!
