Dear Parent/Carer,

Welcome back after the much needed half term break! School has commenced with a bang this term and more students than ever before have started their formal exams in English and Maths in qualifications ranging from Entry Level 1 to Functional Skills Level 2. The seriousness and maturity of the students has been exemplary in week 1 with all learners observing the exam protocols. The rest of the school are doing their bit by keeping as quiet as mice as they move around the building which is very supportive and a delight to observe.

It is not only exams that are causing the students to concentrate and focus and our troupe of dancers have been getting into a frenzy of rehearsals as they perfect their routine for the West London Special Schools Arts Festival which is taking place next week at the Royal Albert Hall. I can't wait to see our students set the stage on fire next week, not literally of course!! I will update you on our star performers next week.

We have been meeting the parents of our new intake for September this week and I can report that they are all very excited to be starting at Cambridge. We have received more consultations for school places than ever before and we have a long waiting list for places which is reflective of how we have improved as a school and our reputation has flourished. We will keep working hard to achieve excellence for all of our students.

Yours sincerely,

Alan Campbell
Head Teacher
