Dear Parent/Carer,

It was wonderful to invite Year 7 parents and carers in this week to see how their children were settling in to their new classes. Parents and carers spent time in the classroom environment seeing how their children were actively learning and how well they were engaging and participating in lessons. They were able to talk to classroom staff about their child's progress and development. Afterwards, parents had the opportunity to meet with other key staff and enjoy refreshments provided by our BTEC Hospitality learners, including gluten free options! There was an excellent turn out from the parents which makes me very excited about the positive partnerships that school and home can forge, standing united to support each student develop their full potential.

One of the school's priorities in the area of parental engagement this year is to establish a thriving Parent and Carer Teacher Association and ensure that Friends of Cambridge recruits as many parents and carers as possible to the cause! We are hoping to have a successful year raising money for a pop-up library which can be stored and opened regularly in different locations in the school. Reading is a whole school improvement priority and we want all of our learners to develop confidence and competence in this vital area of the curriculum. As I am fond of saying, knowledge is power and building social and cultural capital in our community will open doors for all our learners. If you are interested in joining the Friends of Cambridge, please contact Kendall Jones, k.jones@cambridge.lbhf.sch.uk

Have a fantastic weekend one and all!

Yours sincerely,

Alan Campbell
Head Teacher
