Friday 7th October 2022

Dear Parent/Carer,

It seems like we have only just started back to school and already we are looking forward to what is next for our Year 11s. Last night we hosted a college Open Evening for students and parents and carers to meet representatives of the local colleges to find out what they have to offer and what the future may hold for our keen and enthusiastic learners. The students were excited to learn about the opportunities that lie ahead of them in institutions like City of Westminster College and William Morris Sixth Form College. The college staff praised how engaged and motivated our learners were and how interested they were in discussing their options. It was an excellent turn out from parents and carers which was very encouraging for smooth transitions ahead. Visits to colleges will be taking place throughout the year.

We hosted Dr Keith Tysoe from the local authority on Tuesday. Keith is the Principal Advisor on SEND and he wanted to walk the school with the Head Teacher to take the temperature of learning and behaviour. This is all part of our planned Quality Assurance schedule. He was impressed with how positive students were about their learning and how happy they were in talking to him about what they were learning and why they were learning it. All students were polite and respectful and did themselves and their families proud.

Have a great weekend!

Yours sincerely,

Alan Campbell
Head Teacher

Dates for your Diary:

October Is Black History Month

7th Oct: World Smile Day
