Dear Parent/Carer,

This term is well and truly up and running and school is full of energy and excitement. Classes are busy electing their School Council representatives and we have many budding politicians in the making. We have set the bar high and all the candidates have prepared speeches and classes have voted for their choices, learning valuable lessons about participation and democracy. They are doing a much better job than our current leaders in Westminster! Year 11s are particularly busy at the moment and they are having their final EHCP Annual Reviews at Cambridge School and beginning to make serious decisions about their next steps and futures. To that end, we have been busy organising visits to local colleges so that the students can get a taste of what lies ahead. Groups of students have visited Hammersmith and West London College this week, accompanied by apprehensive parents. I want to thank the parents for helping out on these trips and really supporting the learners and staff on the visits.

I am really heartened by how many of you are recommending Cambridge School to other families. I have been showing round parents and carers of potential new students and many have come as a result of your endorsements. Parents and carers have been impressed by the politeness of students and the engagement and enjoyment evident in lessons. I want to praise Angelou class in particular for their warm and enthusiastic welcome for all visitors. Their knowledge about Remembrance Day was really impressive and moving. Students were really motivated by our Scholastic book fair, spending hundreds of pounds on new books to stimulate their brains. We will be using the commission to invest in our Pop Up Library project, the major fund raising goal this academic year. Thank you Ms Dawkins for your passionate advocacy of reading as the foundation of all progress. I encourage you all to read with your child and help them develop the habit of reading and a love for books.

Yours sincerely,

Alan Campbell
Head Teacher
