

Newsletter

Friday 2nd December 2022

Dear Parent/Carer,

Apologies for the late despatch of this newsletter which is due to staff absence. A big thank you to all who made Parents' Evening in Wednesday 30th November such a roaring success. 92 parent/carers had appointments either in person or online on the actual day, this means that we had 71% attendance which is a great turnout. Many other parents and carers have arranged online consultations at mutually convenient times which will boost this figure. I am delighted that parents are so actively involved in dialogue with school about the progress and achievements of their child. Positive partnerships mean there is a greater chance of success for the learners as we are all working together for a common goal. Feedback was overwhelmingly positive and relationships between school and home have been strengthened as a result.

The other main driver of student achievement is regular and consistent attendance at school. I am pleased to report that despite winter setting in, attendance rates are rising at the school and we hit 90% overall this week. I believe that learners want to be in school because it is an engaging and stimulating environment. Thank you for the ongoing support from parents which is helping us to improve week on week.

Parents helped the school put up Christmas decorations in school last week which is helping us all to begin to get into the festive spirit. I look forward to welcoming many of you to the Winter Fayre in school on Friday 9th December from 1pm until 3pm. There will be stalls with festive decorations to buy and plenty of refreshments to consume! All proceeds will go to our fundraising campaign for a pop up school library.

Yours sincerely,

Alan Campbell
Head Teacher
