Friday 6th January 2023

Dear Parent/Carer,

Happy New Year! I hope that you all had a restful and relaxing festive season. We have started 2023 on a positive note here at Cambridge and have high hopes of a successful year despite the difficulties in wider society. I know how much of a struggle it is for many families with the ongoing cost of living crisis, rising fuel bills and high inflation. We were pleased that we could offer some support over the festive season by issuing food vouchers.

The new term and new year is a time for us all to reflect and make resolutions for the year ahead. Setting personal goals and targets gives us something to aspire to and a sense of achievement when we meet and exceed them. At this cold and dark time of year, we all need that extra motivation and inspiration. All of our students need to be pushing themselves to attend school every day, complete all their work to the best of their abilities and aim for that personal best in their chosen subjects. Many of our students in Years 9 to 11 are about to sit Functional Skills and Entry level exams in the next couple of weeks and this will be an opportunity for them to demonstrate the progress they have made. This is the first opportunity this year and there will be further opportunities in June for those who can gain even better results. This will be a tense time for many of them and we will be teaching them how to manage their stress and nerves! I cannot emphasise enough the importance of a healthy diet and good sleep patterns.

Yours sincerely,

Alan Campbell
Head Teacher

Dates for your Diary:

W/C 9th Jan:

Year 9 EHCPs

W/C 16th Jan:

Exam Week 1

Energy Saving Week

W/C 23rd Jan:

Exam Week 2
