Dear Parent/Carer,

One of the biggest pleasures and privileges of being a Head Teacher is seeing the achievements and successes of the pupils being recognised. We are an active participant in the Jack Petchey Achievement Awards Programme which honours students who go that extra mile and show leadership. Their slogan is, "If you think you can, you can!" Cambridge School had six award winners who were due to be presented with their awards at Kensington Town Hall on Monday 27th February. The key words of the evening were "Inspire, Motivation and Achievement"; and that summed up the characteristics of the 4 award winners who are still in school (2 were Year 11 leavers in July 2022) Charlie Quelch, Jawad Rafiqi, Harry Bishton and Joshua Baker. They all received a certificate, medal and money to spend on a school project of their own choosing. Staff turned out to support our students and the cheers raised the roof as the presentations were made. I had a real sense of pride in Cambridge School students. Thank you to Pam Pike who organises the Award scheme in school and collects nominations and helps to decide the worthy winners in partnership with the Senior Leadership team.

It is National Careers Week and students have been learning about different jobs and courses in Assemblies and lessons. Many of our Year 10 and 11 students are about to start their Work Experience Programme and we are on the lookout for more employers who are keen to offer opportunities for our learners. If you know anyone who would be in a position to host a Cambridge student, please get in touch so we can visit them to discuss the possibilities. Getting students work-ready is one of our key objectives. As you know, the school is focused on, "Learning for life, learning for work."

Have a lovely weekend and stay safe and warm as the weather gets colder again next week!

Yours sincerely,

Alan Campbell
Head Teacher
