

Dear Parent/Carer,

We have come to the end of the penultimate half term and we are now on the final stretch of seven school weeks until the summer break. Next half term is packed full of milestones and landmarks as we say goodbye to Year 11s and some staff, but also welcome to our new Year 7 cohort who will be making the transition from their primary schools. Change and transitions can be challenging experiences and we are doing all that we can to make them positive and uplifting, focusing on the benefits of change. Students return to school on Monday 5th June, hopefully refreshed after some sunny half term weather.

As you know, the half term begins with the formal exams for our Key Stage 4 students and last week, Mr Dumigan gave you all some excellent tips regarding revision. The focus is on healthy eating and healthy sleep patterns which help a sense of wellbeing and readiness to succeed. Preparation is key and making a plan and sticking to it is the best advice. We have organised Parents' Evening for 10th July. Look out for details about how to arrange an appointment. We would prefer to see you in person, but understand that an online consultation will be more appropriate and convenient for some parents and carers. Other notable dates coming up are School Prom on 14th July and Cultural Diversity Day on 18th July where we will decorate the school with national colours of the myriad of countries and cultures represented in our school community. Food from around the globe and music from all corners of the world will add to this feast for the senses. We will be inviting parents and carers to this event so please keep the date free in your diary.

Have a wonderful half term break!

Yours sincerely,

Alan Campbell,
Head Teacher
