

Dear Parent/Carer,

We have enjoyed/endured a week of extreme heat and dazzling sunshine depending on your perspective! We still have five weeks of the summer term to survive and we need to make sure that we are prepared. Please pack some sunscreen in your child's bag so that they can lather up and protect themselves when they are in the playground and park. We also suggest that students with sensitive skin have a hat to offer further protection for their faces and heads. We will provide water to all students in classrooms to keep them hydrated, but we also recommend that you provide them with at least one refillable bottle of water for them to keep hydrated on their way to and from school, especially for those learners who travel long distances on school transport.

As we near the end of the school year, we need to review how we have performed and what we can do to improve. We are seeking the views of staff, students and parents so we can see where we need to target our efforts next year to reach new heights. I am attaching a link to our online Parents' Survey so that you can tell us what you are happy about, but also what we need to do better. This is the link; <https://forms.office.com/e/2PqrUn6hZs>. I urge you to take 15 minutes of your time to give us feedback. We are all in this together and we share the same goal, to ensure your child is happy and successful! Responses are anonymous but if you have specific issues, it might be useful to identify yourself so that we can reach out to you.

It has been another busy week at school with a major highlight being the performance of our boys' football team at the London Youth Games tournament at Hackney Marshes. The boys won one, drew one and lost two. However, their behaviour was exemplary and their sportsmanship exceptional. Well done Connor, Taelan, Ibrahim, Louis, Riyadh, Amin, Cameron, Matthew and Lazaro. Today, we have students wearing bright colours to celebrate Pride Month. Students learned about the meaning of Pride and its importance for the LGBTQ+ community in Assemblies last week. We are fully committed to equality, diversity and inclusion here at Cambridge.

Have a lovely weekend and enjoy the sunshine responsibly!

Yours sincerely,

Alan Campbell, Head Teacher

Dates for your Diary:

June is Pride Month

12th-23rd June: Math & English Exams

21st June: Music Day

10th July: INSET Day – School is closed to our current students, Transition Day for 2023/24 intake, Parents Evening
