

Dear Parent/Carer,

We are rapidly heading to the end of another successful and busy year at Cambridge School. As we approach the summer holidays, there is still a lot of important work to be done. Firstly, I look forward to seeing as many of you as possible at Parents' Day on Monday 10th July. Teachers have been busy inputting all students' progress and achievement data on our assessment system in preparation for our detailed End of Year Reports which will be sent to you in the last week of term. We hope to be able to tell you which class your child will be in next year and who their teacher will be when you visit school on Monday.

Monday is also an INSET day so your child will be at home, but of course, you can bring them in for the consultation meeting so they can hear first-hand what their teacher has to say about their progress and achievement. We also host all our new Year 7s for September on Monday to give them a final Induction day without the other students being present. We have been hosting our new intake and they are feeling confident about starting secondary school now which we all know can be a daunting and nerve-wracking rite of passage. As well as these new starters, we say goodbye to our Year 11s and we are giving them a grand send off with the Leavers' Prom on Friday 14th July. All classes will be enjoying end of year trips and celebrations as the term draws to a close so students will have an exciting experience over the next few days.

In next week's newsletter, I will be telling you about staff changes for next year as the school continues to grow and develop. I will also be reporting on headlines from the Parents' Survey. Thank you to all of you who contributed and there is still time to do so. Please let us hear your voice! This is the link; <https://forms.office.com/e/2PqrUn6hZs>.

Yours sincerely,

Alan Campbell, Head Teacher
